## Responding to Financial Elder Abuse

Brought to the community by the Orange County Strategic Plan for Aging and Human Options

### This FREE Community Class will answer:

- What are some signs of elder abuse, including financial elder abuse?
- How do I respond in situations where there is suspected elder abuse?
- What are preventative measures for financial abuse?
- What community resources are available?

### Who should attend?

- First responders, such as bankers, police officers, etc. Mandated reporters are also encouraged to attend.
